

We the People, in order to Protect our Great Nation

AMERICAN GOVERNMENT ABUSES CITIZENS RIGHTS

We Demand a Change in Congressional Attitude!

Thank you for taking the time to read this letter of concern, but first I have a couple of questions:

One: Were you elected by the people ?

Two: Were you elected to represent the people ?

If you answered yes to both of the above questions , why are you not listening to the people ?

We the people_of the United States, in order to form a more perfect union, establish justice, insure domestic tranquility, provide for the common defense, promote the general welfare, and secure the blessings of liberty to ourselves and our posterity, do ordain and establish this constitution for the United States of America.

CONSTITUTION OF THE UNITED STATES

ENFORCE THE 14TH AMENDMENT AS ORIGINALLY INTENDED

No NEW LAWS ! Our forefathers made them clear enough

We the People, in order to Protect our Great Nation

NO MORE ANCHOR BABIES

This is a ploy to take over our nation and have a free ride

NO Z-PLAN...or X or ... JUST SECURE OUR BORDERS

Do not bend to ACLU, National Council of La Raza & other radical views

No more federal prosecution of our Law Enforcement Officers on

**TRUMPED UP CHARGES We want President's Political Prisoners, the
Border Agents, RELEASED!**

WE WANT THE ILLEGALS OUT OF OUR COUNTRY ! NOW !

Send all Illegal Immigrants home without prosecution, except the Capital offenses. Any returning will be immediately prosecuted.

This Nation was founded and a constitution put in place to represent the citizens. For the people and by the people. Yet our government seems to have chosen to ignore that fact.

Many of the citizens have become so disillusioned over the years that we have allowed our voice to be taken from us by our own elected officials.

We will not allow our elected officials to decide what is best for us or to make decisions on our behalf without regard to the wishes of the majority of the voting public.

We will fight for our rights and freedoms we will make our voices heard and we expect our elected officials to respond to us and to listen and act upon what the majority of the citizens want.

This document serves as NOTICE and DEMAND on behalf of all citizens of The United States Of America .
